

## Your Fault or Mine? Which?

We spend 294 hours per week on the Grocery side of our store, to every six hours spent in the Dry Goods side. This means that about 90 per cent of the Dry Goods business of this district is going out of town.

Now we wish to state that there is not an article or a yard of goods advertised in the largest mail order catalogue in Western Canada that we cannot deliver to you at the same price -- or cheaper. Is this a big order? We mean every word of it.

Now we believe most people would rather place their business with the firms who help build their roads and schools than with these outside houses, who never in any way support your community interests.

In the last few days we have filled hundreds of dollars worth of orders that were headed for Winnipeg, and we want you to let us fill your next order on trial.

**REMEMBER, anything you want Phone 39.** We are making special arrangements to take care of this business, and can save you money.

We can furnish anything offered in any Western catalogue, at that catalogue price, or less. Now we are way for a \$300.000 business. Don't say we can't get it!

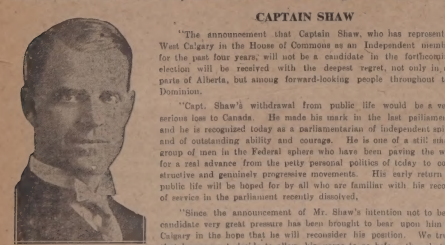

We don't belong to the "can't" family.

## Here is what The U.F.A.

The Official Organ of the Province  
**Had to say of Capt. Shaw, Liberal Leader, as late as Sept. 15, 1925**

CAPT. J. T. SHAW

### MARK YOUR BALLOT THROUGH

Do not be satisfied by marking No. 1 for your own party, but mark your second choice of the other two candidates.

### MARKING YOUR SECOND CHOICE

In no way interferes with your first choice. Your first choice is not eliminated unless you mark it in the last place. If you "plump" for one candidate, it means merely that you want to second choice of the other two, if your candidate should be eliminated.

### VOTE 1 FOR THE LIBERAL CANDIDATE

If you have determined to Vote No. 1 for another candidate, then vote No. 2 for Liberal Candidate.

**U.F.A. Meeting at Delia**  
A well attended meeting in the interests of Gordon A. Foster, U.F.A. candidate for the Delia constituency, was held at the Central hall on Saturday night. Henry Hargreaves, who had the honor of introducing the speaker, called attention to the highway action upon H. G. H. Schindler, vice president of the U.F.A., to address the meeting.  
In the course of his speech, Mr. Schindler said in addition to many other things the present government had been honest and sincere. He did not wish to enter into a general discussion of what the government had done, but he would like to draw attention to the highway action taken five years in the province.

## CONSERVATIVE PRINCIPLES ARE RESTATED BY THE CONSERVATIVE LEADER

### Co-operative Marketing Extension Advocated

Proportion of Money Expended on Roads to Go Toward the Maintenance of Country Roads as Well as Main Highways—Encourage the Flow of Capital and Immigration to Supplement Effect of the Dominion Government.

**SPEAKING at Rockyford on Thursday afternoon, June 18th, in support of Hugh Miller, Conservative candidate in the Glenora riding, A. A. McGillivray, leader of the provincial Conservative party, reiterated the issues in the policy of the party that he had held from different platforms in Alberta since being elected leader in August, 1925.**

In his usual ringing voice Mr. McGillivray returned the heads of the Liberal administration and the record of the present government. Speaking up his support to the conservative following the denunciation of political principles, Mr. McGillivray said the Liberal party cannot be held in the record cannot be "hidden" under the cloud of one man's conduct.

**Give Them Chance**  
The present government has failed to cope with public opinion, the chief of which are education, the roads, rural electrification, main highways, and the extension of the railway. The Liberal party has not given the people a chance to express their opinion on these matters. The Liberal party has not given the people a chance to express their opinion on these matters.
